

**Daily Life - I'm sorry, I love you** (C0015)

A:       Whoa, whoa, what's going on? Watch out!

B:       Hey, watch where you're going!

A:       Oh, no! I'm so sorry! Are you all right?

B:       Oh...I don't know.

A:       I feel terrible, I really didn't mean to knock you over. My tire, just exploded, and I lost control of my bike. Really, it was an accident. Please accept my apologies.

B:       Just let me try to stand up.

SONG: Why do birds suddenly appear, every time you are near?

A: Are you okay?

B: Oh, wait a second, you seem really familiar, I think I know you from somewhere.

A: Yeah, I think we have met somewhere before. That's right! We met at Aaron's place last weekend! What a coincidence! But anyway, I'm glad to see that you're not too badly hurt, and I should probably get going. I have a nine o'clock meeting.

B: Ouch! My ankle! I think it's broken! You can't just leave me like this! Are you calling an ambulance?

A: Nope, I'm canceling my appointment so that I can stay here with you.

SONG: Do you remember when we met? That's the day I knew you were my pet. I wanna tell you how much I love you.

### Key Vocabulary
