Intermediate - I'm Sorry I Love You V (C0054)

A: Honey, of course I forgive you! I love you so much! I've really missed you. I was wrong to get upset over nothing.

B: I'm sorry I haven't called or anything, but right after you decided you wanted a break, I was called up north to put out some major forest fires! I was in the middle of nowhere, working day and night, trying to prevent the blaze from spreading! It was pretty intense.

A: Oh, honey, I'm glad you're okay! But I have some exciting news... I think I'm pregnant!

B: Really? Wow, that's amazing! This is great news! I've always wanted to be a father! We'll go to the doctor first thing in the morning!

C: We have your test results back and, indeed, you are pregnant. Let's see here... everything seems to be in order. Your approximate due date is October twenty-seventh two thousand and nine, so that means that the baby was conceived on February third, two thousand and nine.

B: Are you sure? Are these things accurate?

C: Well, yes sir, they are.

A: What's wrong? Why are you asking these questions?

B: This baby isn't mine! I was away the first week of February at a training seminar!

A: I... I... no, it can't be...
